Letter of Intent Instructions 2023-2024

Applicants to the Matthew Larson Foundation (aka IronMatt) must submit a Letter of Intent (LOI) and Biosketch via IronMatt's Survey Monkey Apply site (<https://ironmatt.smapply.io/>) by November 19, 2023.

Please include the investigator's last name as the title along with MLF LOI 2023.

For example: SMITH MLF LOI 2023.

Please upload the investigator biosketch using the NIH Template as a **single PDF**.

The title of the PDF file should also read: SMITH MLF LOI 2023

The LOI Project Description and Timeline must not exceed 750 words.

Applicants will be asked to include the following:

Name and Title of the investigator; Full address, phone and email.

Name of the medical or scientific not-for-profit organization; Full address.

Name and Title of the Individual with institutional authority (someone who can commit the institution to abiding by the rules of the grant): phone and email

Project Title and brief description including goals of the project, what is novel about the project and how it is relevant to the field of pediatric brain tumors.

Brief timeline for the project.

Please also upload in PDF format a biosketch of the investigator using the NIH template.
